What They Are Saying: “Kathy and Pat Conway far exceeded my expectations on selling the house I rehabbed. Besides from being professional, courteous, friendly and extremely knowledgeable, they are the nicest people. I consider them part of my family and feel as though we’ve known them forever. Pat doesn’t stop at anything. He goes over and above his role as a realtor, he involves himself in everything even things that he isn’t responsible for, he does it to get the job done and he does it so well. I have never experienced working with any realtor that does it all. I will definitely continue to use The Conway Team. Neal Rubin
